THANK YOU!
thank you!

"You gain strength, courage and confidence by every experience in which you really stop to look fear in the face."

~ Eleanor Roosevelt

Thank You Rob Benzon Foundation!

My sincere gratitude goes to you for your generous support at *Bowling for Lyly*. Your support has made fighting this disease easier.

I make a promise to you to pay it forward. I'll do this through the establishment of a non-profit foundation which will focus on direct support to the Breast Cancer Fighter. I recognize that having cancer is like having a part-time job and as a result, the goal of my foundation will be to provide services to assist with the every day tasks.

I'm nearly finished with my major treatments and have one more surgery to go! It's been a long road and your support has helped to make that road a little less bumpy.

Thank You!!!

Lyly ☺
