Dear Rob Benson Foundation,

On April 1, 2010, I received a grant in the amount of \$825.00, taken directly to my landlord, for payment of my rent. I also received a sizable gift card of \$175.00 to help me purchase groceries.

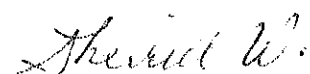

As a recent victim of elder abuse, my bank account had been cleaned out and most of my personal belongings had been stolen and/or converted. I was in a dire financial situation. With no place else to turn, I thought I would become homeless. Unable to afford my rent, I was literally sick with worry and stress.

The individuals from the Cancer Society back east were aware of my situation. They gave me the information about your foundation. I followed your instruction and was eventually chosen to receive your help.

I want your organization and the donors to know that your generosity has made a major difference in my life. I was able to stay in my home and I now have time to tap into other resources. Words are not enough to express my sincere gratitude.

Mother Teresa once said "No one can do great things, only small things with a great amount of love." Your generous support made me feel very supported and loved. Please know that your efforts are greatly appreciated. What a tremendous gift for those of us in need. Thank you with all of my heart!

Sincerely,

Sherrill W.
